

Community Infrastructure Levy / Solar Funds Consultation

Q1

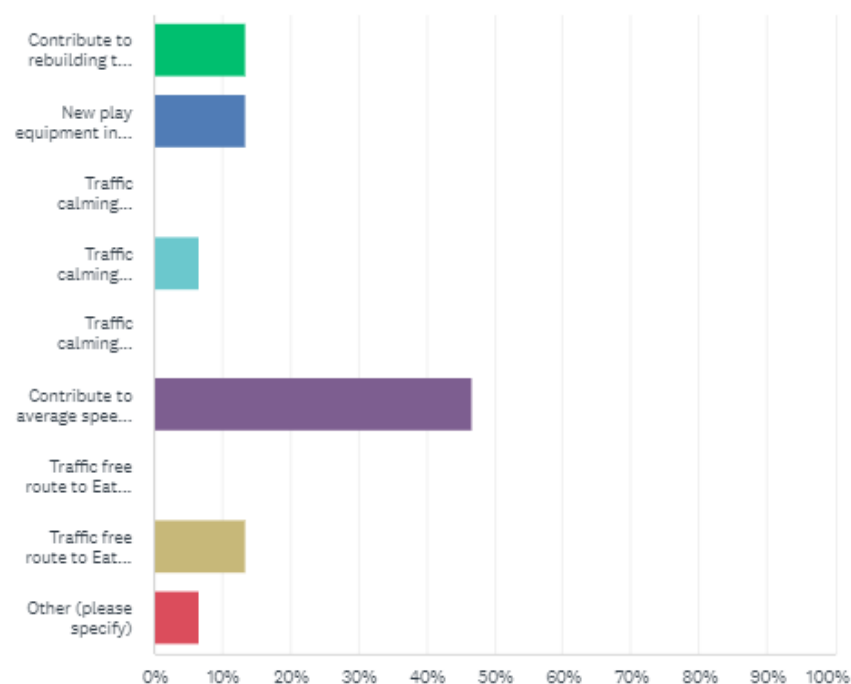

Customize

Save as ▼

How would you like the £15,549.37 of community infrastructure funding to be used? Please select your preference. You can only select one project. If we split the funds there will not be enough to do any of the projects.

Sentiments: OFF

- Contribute to rebuilding of village hall in Duloe x 3
- Traffic free route on Duloe Road from farm buildings down to Duloe Butts to complement the traffic free route from Duloe to Eaton Socon
- footpaths from Duloe to the graffiti bridge making St Neots safer to access
- Extend the average speed cameras across as much of area as possible. Let's slow the traffic, save lives, help the environment all in 1 go
- Planting nature area
- Could this be added to the average speed fund?
- Whatever is second on the list above!
