

Staploe Parish Council

Date: 01/07/2022

Application number: 22/01039/FUL

Proposal: Demolition of existing dwelling and erection of replacement dwelling.

Location: Upper Goodwick Farm Cottage Goodwick Drive Honeydon Bedford
Bedfordshire MK44 2LS

Response: Support

The Parish Council support this application. It is a significant improvement on what is currently a building in a very poor state of repair with fundamental flaws such as significant damp. The new proposal appears to be well designed and much more sustainable.

Best wishes,

Lucy Crawford

Clerk to Staploe Parish Council
