Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations relating to contracts.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.3. The council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud; and
- identifying the duties of officers.

1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.

1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

1.7. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly.

1.9. The RFO;

- acts under the policy direction of the council;
- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
- determines on behalf of the council its accounting records and accounting control systems;

- assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the council.

1.10. The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.

1.11. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the council; and
- wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1.12. The accounting control systems determined by the RFO shall include:

In these financial regulations the term ‘proper practice’ or ‘proper practices’ shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners’ Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2. Accounting and audit (internal and external)

2.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.

2.2. On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. 2.7. Internal or external auditors may not under any circumstances:

- perform any operational duties for the council;
- initiate or approve accounting transactions; or
- direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

2.8. For the avoidance of doubt, in relation to internal audit the terms ‘independent’ and ‘independence’ shall have the same meaning as is described in proper practices.

2.9. The RFO shall make arrangements for the exercise of electors’ rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.

2.10. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

3. Annual estimates (budget) and forward planning

Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year to the council not later than the end of October each year including any proposals for revising the forecast.

3.2. The RFO must each year, by no later than November prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the [relevant committee and the] council.

3.3. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.

3.5. The approved annual budget shall form the basis of financial control for the ensuing year.

4. Budgetary control and authority to spend

4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council for all items over £1,000;
- a duly delegated committee of the council for items over £500; or
- the Clerk, in conjunction with Chairman of Council or Chairman of the appropriate committee, for any items below £500.
- The Clerk up to £1000 if a major incident occurs which means the council is unlikely to be able to meet in person for at least one month (eg. an epidemic).

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').

4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

4.4. The salary budgets are to be reviewed at least annually in March for the following financial year and such review shall be evidenced by a hard copy schedule (the List of Regular Payments) signed by the Clerk and the Chairman of Council or relevant committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.

4.5. In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such

expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.

4.6. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.

4.7. All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.

4.8. The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose "material" shall be in excess of £100 or 15% of the budget.

4.9. Changes in earmarked reserves shall be approved by council as part of the budgetary control process.

5. Banking arrangements and authorisation of payments

5.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency at least annually.

5.2. The RFO shall prepare a schedule of payments requiring authorisation, for presentation at the Council or committee meeting and, together with the relevant invoices, present the schedule to council [or finance committee]. The council / committee shall review the schedule for compliance and, having satisfied itself shall authorise payment by a resolution of the council [or finance committee]. The approved schedule shall be ruled off and initialled by the Chairman of the Meeting. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.

5.3. All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the council.

5.4. The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to pay all invoices submitted, and which are in order, at the next available council [or Finance Committee] meeting.

5.5. The Clerk and RFO shall have delegated authority to authorise the payment of items only in the following circumstances:

- a) If a payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (Interest) Act 1998, and the due date for payment is before the next scheduled Meeting of council, where the Clerk and RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council [or finance committee];
- b) An expenditure item authorised under 5.6 below (continuing contracts and obligations) provided that a list of such payments shall be submitted to the next appropriate meeting of council [or finance committee]; or
- c) fund transfers within the councils banking arrangements up to the sum of [£10,000], provided that a list of such payments shall be submitted to the next appropriate meeting of council [or finance committee].

5.6. For each financial year the Clerk and RFO shall draw up a list of due payments which arise on a regular basis as the result of a continuing contract, statutory duty, or obligation (such as but not exclusively) Salaries, PAYE and NI, Superannuation Fund and regular maintenance contracts, audit fees, training courses, printing the newsletter and the like for which council [,or a duly authorised committee,] may authorise payment for the year provided that the requirements of regulation 4.1 (Budgetary Controls) are adhered to, provided also that a list of such payments shall be submitted to the next appropriate meeting of council [or Finance Committee].

5.7. A record of regular payments made under 5.6 above shall be drawn up and be signed by two members in March to authorise payment and then by two members at the meeting following on each and every occasion when the payment is authorised - thus controlling the risk of duplicated payments being authorised and / or made.

5.8. In respect of grants a duly authorised committee shall approve expenditure within any limits set by council and in accordance with any policy statement approved by council. Any Revenue or Capital Grant in excess of £5,000 shall before payment, be subject to ratification by resolution of the council.

5.9. Members are subject to the Code of Conduct that has been adopted by the council and shall comply with the Code and Standing Orders when a decision to authorise or instruct payment is made in respect of a matter in which they have a disclosable pecuniary or other interest, unless a dispensation has been granted.

5.10. The council will aim to rotate the duties of members in these Regulations so that onerous duties are shared out as evenly as possible over time.

5.11. Any changes in the recorded details of suppliers, such as bank account records, shall be approved in writing by a Member.

6. Instructions for the making of payments

6.1. The council will make safe and efficient arrangements for the making of its payments.

6.2. Following authorisation under Financial Regulation 5 above, the council, a duly delegated committee or, if so delegated, the Clerk or RFO shall give instruction that a payment shall be made.

6.3. All payments shall be affected by cheque or other instructions to the council's bankers, or otherwise, in accordance with a resolution of council [or duly delegated committee].

6.4. Cheques or orders for payment drawn on the bank account in accordance with the schedule as presented to council or committee shall be signed by two members of council in accordance with a resolution instructing that payment. A member who is a bank signatory, having a connection by virtue of family or business relationships with the beneficiary of a payment, should not, under normal circumstances, be a signatory to the payment in question.

6.5. To indicate agreement of the details shown on the cheque or order for payment with the counterfoil and the invoice or similar documentation, the signatories shall each also initial the cheque counterfoil.

6.6. Cheques or orders for payment shall not normally be presented for signature other than at a council or committee meeting (including immediately before or after such a meeting) unless they are on the pre-approved list of regular payments. Any signatures obtained away from such meetings shall be reported to the council [or Finance Committee] at the next convenient meeting.

6.7. If thought appropriate by the council, payment for utility supplies (energy, telephone and water), any National Non-Domestic Rates, registration fee to the Information Commissioner's Office and regular software subscriptions such as Zoom may be made by variable direct debit provided that the instructions are signed by two members and any payments are reported to council as made. The approval of the use of a variable direct debit shall be renewed by resolution of the council at least every two years.

6.8. If thought appropriate by the council, payment for certain items (principally salaries and grass cutting) may be made by banker's standing order provided that the instructions are signed, or otherwise evidenced by two members are retained and any payments are reported to council as made. The approval of the use of a banker's standing order shall be renewed by resolution of the council at least every two years.

6.9. If thought appropriate by the council, payment for certain items may be made by BACS or CHAPS methods provided that the instructions for each payment are approved in advance at a Parish Council meeting either in the list of regular payments or as an agenda item, and signed, or otherwise evidenced, by one authorised bank signatory, are retained and any payments are reported to council as made. The Clerk will set up the BACS payments online and a councillor who is a signatory will approve the payment. If the Clerk is a beneficiary to the payment it should normally be made by cheque if this is accepted so that it requires two councillors to authorise the payment. One exception to this may be if cheques are not being accepted eg. during the Covid pandemic when some organisations were not processing cheques. In this case a BACS payment with one online signatory will be acceptable providing the amount does not exceed the amount approved in the schedule of regular payments. Payment of the Clerk's pension to Bedfordshire Pension Fund is not counted as the Clerk being a direct beneficiary for these purposes. Bedfordshire Pension Fund no longer accepts cheques. The approval of the use of BACS or CHAPS shall be renewed by resolution of the council at least every two years.

6.10. If thought appropriate by the council payment for certain items may be made by internet banking transfer provided evidence is retained showing which member(s) approved the payment.

6.11. Where a computer requires use of a personal identification number (PIN) or other password(s), for access to the council's records on that computer, a note shall be made of the PIN and Passwords and shall be handed to and retained by the Chairman of Council in a sealed dated envelope. This envelope may not be opened other than in the presence of two other councillors. After the envelope has been opened, in any circumstances, the PIN and / or passwords shall be changed as soon as practicable. The fact that the sealed envelope has been opened, in whatever circumstances, shall be reported to all members immediately and formally to the next available meeting of the council. This will not be required for a member's personal computer used only for remote authorisation of bank payments. Council records are held on the Clerk's Parish Council computer, backed up to an external hard drive weekly and to Microsoft Onedrive daily. Councillors all have access to the Clerk's Onedrive files and read only access to Scribe (our accounting package) There are currently two online

bank signatories who all use their personal computers to authorise bank payments using a PIN Sentry device.

6.12. No employee or councillor shall disclose any PIN, password or Onedrive link or permit use of any security key or password, relevant to the working of the council or its bank accounts, to any person not authorised in writing by the council or a duly delegated committee. PIN Sentry devices shall be held securely.

6.13. Regular back-up copies of the records on any computer shall be made to the Cloud (on One Drive) and a hard disc backup shall also be made at least weekly.

6.14. The council, and any members using computers for the council's financial business, shall ensure that anti-virus, anti-spyware and firewall software with automatic updates, together with a high level of security, is used.

6.15. Where internet banking arrangements are made with any bank, the Clerk [RFO] shall be appointed as the Service Administrator. The bank mandate approved by the council shall identify councillors who will be authorised to approve transactions on those accounts. The bank mandate does not permit payments by the use of the Service Administrator alone. All payments are set up by the service administrator and require approval by one of two councillors named on the bank mandate. All payments will have been authorised by two Councillors in advance (either on the list of regular payments or in a Parish Council meeting).

6.16. Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites"), and not through a search engine or e-mail link. Remembered or saved passwords facilities must not be used on any computer used for council banking work. Breach of this Regulation will be treated as a very serious matter under these regulations.

6.17. Changes to account details for suppliers, which are used for internet banking may only be changed on written hard copy notification by the supplier and supported by hard copy authority for change signed by the Clerk [the RFO]. A programme of regular checks of standing data with suppliers will be followed.

6.18. Any Debit Card issued for use will be specifically restricted to the Clerk and will also be restricted to a single transaction maximum value of £500 unless authorised by council or finance committee in writing before any order is placed.

6.19. A pre-paid debit card may be issued to employees with varying limits. These limits will be set by the council [Finance Committee]. Transactions and purchases made will be reported to the council or relevant committee and authority for topping-up shall be at the discretion of the council or relevant committee.

6.20. Any corporate credit / debit card or trade card account opened by the council will be specifically restricted to use by the Clerk and shall be subject to automatic payment in full at each month-end. Personal credit or debit cards of members or staff shall not be used under any circumstances.

6.21. The council will not maintain any form of cash float. All cash received must be banked intact. Any payments made in cash by the Clerk [or RFO] (for example for postage or minor stationery items) shall be refunded on a regular basis, at least quarterly.

7. Payment of salaries

7.1. As an employer, the council shall make arrangements to meet fully the statutory requirements placed on all employers by PAYE and National Insurance legislation. The payment of all salaries shall be made in accordance with payroll records and the rules of PAYE and National Insurance currently operating, and salary rates shall be as agreed by council, or duly delegated committee.

7.2. Payment of salaries and payment of deductions from salary such as may be required to be made for tax, national insurance and pension contributions, or similar statutory or discretionary deductions must be made in accordance with the payroll records and on the appropriate dates stipulated in employment contracts, provided that each payment is reported to the next available council meeting, as set out in these regulations above.

7.3. No changes shall be made to any employee's pay, emoluments, or terms and conditions of employment without the prior consent of the council or relevant committee.

7.4. Each and every payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded in a separate confidential record (confidential cash book). This confidential record is not open to inspection or review (under the Freedom of Information Act 2000 or otherwise) other than:

- a) by any councillor who can demonstrate a need to know;
- b) by the internal auditor;
- c) by the external auditor; or
- d) by any person authorised under Audit Commission Act 1998, or any superseding legislation.

The exception to this situation would be if there is only one employee in which case their salary will be transparent in the budget and year end accounting statements. In this case there is no need for a confidential cash book.

7.5. The total of such payments in each calendar month shall be reported with all other payments as made as may be required under these Financial Regulations, to ensure that only payments due for the period have actually been paid.

7.6. An effective system of personal performance management should be maintained for the Clerk / RFO.

7.7. Any termination payments shall be supported by a clear business case and reported to the council. Termination payments shall only be authorised by council.

7.8. Before employing interim staff, the council must consider a full business case.

8. Loans and investments

8.1. All borrowings shall be affected in the name of the council, after obtaining any necessary borrowing approval. Any application for borrowing approval shall be approved by Council as to terms and purpose. The application for borrowing approval, and subsequent arrangements for the loan shall only be approved by full council.

8.2. Any financial arrangement which does not require formal borrowing approval from the Secretary of State/Welsh Assembly Government (such as Hire Purchase or Leasing of tangible assets) shall be subject to approval by the full council. In each case a report in writing shall be provided to council in respect of value for money for the proposed transaction.

8.3. The council will arrange with the council's banks and investment providers for the sending of a copy of each statement of account to the Chairman of the council at the same time as one is issued to the Clerk or RFO if possible (Public Works Loan Board do not offer this service).

8.4. All loans and investments shall be negotiated in the name of the council and shall be for a set period in accordance with council policy.

8.5. The council shall consider the need for an Investment Strategy and Policy which, if drawn up, shall be in accordance with relevant regulations, proper practices and guidance. Any Strategy and Policy shall be reviewed by the council at least annually.

8.6. All investments of money under the control of the council shall be in the name of the council.

8.7. All investment certificates and other documents relating thereto shall be retained in the custody of the RFO.

8.8. Payments in respect of short term or long-term investments, including transfers between bank accounts held in the same bank, or branch, shall be made in accordance with Regulation 5 (Authorisation of payments) and Regulation 6 (Instructions for payments).

9. Income

9.1. The collection of all sums due to the council shall be the responsibility of and under the supervision of the RFO.

9.2. Particulars of all charges to be made for work done, services rendered or goods supplied shall be agreed annually by the council, notified to the RFO and the RFO shall be responsible for the collection of all accounts due to the council.

9.3. The council will review all fees and charges at least annually, following a report of the Clerk.

9.4. Any sums found to be irrecoverable and any bad debts shall be reported to the council and shall be written off in the year.

9.5. All sums received on behalf of the council shall be banked intact as directed by the RFO. In all cases, all receipts shall be deposited with the council's bankers with such frequency as the RFO considers necessary.

9.6. The origin of each receipt shall be entered on the paying-in slip.

9.7. Personal cheques shall not be cashed out of money held on behalf of the council.

9.8. The RFO shall promptly complete any VAT Return that is required. Any repayment claim due in accordance with VAT Act 1994 section 33 shall be made at least annually coinciding with the financial year end.

9.9. Where any significant sums of cash are regularly received by the council, the RFO shall take such steps as are agreed by the council to ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control such as ticket issues, and that appropriate care is taken in the security and safety of individuals banking such cash.

9.10. Any income arising which is the property of a charitable trust shall be paid into a charitable bank account. Instructions for the payment of funds due from the charitable trust to the council (to meet expenditure already incurred by the authority) will be given by the Managing Trustees of the charity meeting separately from any council meeting (see also Regulation 16 below).

10. Orders for work, goods and services

10.1. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.

10.2. Order books shall be controlled by the RFO.

10.3. All members and officers are responsible for obtaining value for money at all times. An officer issuing an official order shall ensure as far as reasonable and practicable that the best available terms

are obtained in respect of each transaction, usually by obtaining three or more quotations or estimates from appropriate suppliers, subject to any de minimis provisions in Regulation 11.1 below.

10.4. A member may not issue an official order or make any contract on behalf of the council.

10.5. The RFO shall verify the lawful nature of any proposed purchase before the issue of any order, and in the case of new or infrequent purchases or payments, the RFO shall ensure that the statutory authority shall be reported to the meeting at which the order is approved so that the minutes can record the power being used.

11. Contracts

11.1. Procedures as to contracts are laid down as follows:

a) Every contract shall comply with these financial regulations, and no exceptions shall be made otherwise than in an emergency provided that this regulation need not apply to contracts which relate to items (i) to (vi) below:

- i. for the supply of gas, electricity, water, sewerage and telephone services;
- ii. for specialist services such as are provided by legal professionals acting in disputes;
- iii. for work to be executed or goods or materials to be supplied which consist of repairs to or parts for existing machinery or equipment or plant;
- iv. for work to be executed or goods or materials to be supplied which constitute an extension of an existing contract by the council;
- v. for additional audit work of the external auditor up to an estimated value of £500 (in excess of this sum the Clerk and RFO shall act after consultation with the Chairman and Vice Chairman of council); and
- vi. for goods or materials proposed to be purchased which are proprietary articles and / or are only sold at a fixed price.
